

A fair deal for Heywood

Liberal
Democrats 

A MESSAGE FROM TOM SHAW

On Thursday 2nd May here in West Heywood we have two votes. One for a local Councillor and one for the Mayor of Greater Manchester.

Locally, we could either elect another Councillor who will represent the Rochdale Labour Council in our community, or we can elect me, a local resident who will represent our West Heywood community in the Rochdale Town Hall.

Across Greater Manchester we can re-elect the Labour Mayor who has failed to provide a decent bus service, community policing, or decent health and social care for our community, or we can elect Jake Austin, a Liberal Democrat Mayor working with our community, for our community.

It's time to stop being taken for granted by Labour here in Heywood. Please use your vote to elect Liberal Democrats to represent our community and bring about the change we need.
